

Inseego MiFi® PRO M4

Serious Performance. Simple Mobility.

About Inseego

As a U.S. based company, we design and develop all our products in the USA and hold them to the highest security standards. Our products and solutions are trusted by top tier carriers, government entities, and Fortune 500 enterprise customers.

Lightning-fast, ready for anything

Experience unmatched 5G and dual-band Wi-Fi 7 speeds, including mid-band spectrum for more coverage and versatility, ideal for smooth video calls, instant file uploads and seamless streaming, wherever work or life takes you.

Secure, private and worry-free

Ditch risky public Wi-Fi. Protect your data with a secure, dedicated connection, keeping your information confidential whether you're on the move, at an event, or traveling for business.

Advanced routing, business ready

Unlock advanced routing software features for superior network performance, handling demanding cloud applications, VPNs and business-critical traffic with ease.

Remote setup. Total control.

Pre-provision, monitor, and manage devices from anywhere using the Inseego Connect platform, perfect for distributed teams, hybrid work, or parents supporting remote learning.

Connect more, stress less

Connect up to 50 Wi-Fi devices on one secure network, or plug in with USB-C or Ethernet when you need rock-solid wired performance for point-of-sale, video conferencing, or business applications.

Built for simplicity, designed for you

Take advantage of primary and guest networks with this mobile hotspot. Easily check network status, signal strength and passwords on the intuitive, color touchscreen. Simple menus and smart notifications mean anyone can stay connected and in control.

MiFi PRO M4 product specifications

Cellular technology¹

- 5G sub-6
- 5G UL-CA support
- NSA, SA and DSS support
- 3GPP rel 17
- 4G LTE

Chipset

- Qualcomm® Dragonwing™ MBB Gen 3

Display

- 2.4" TFT color touchscreen display
- Power and status LED

Ports

- 1x Gbps RJ45 Ethernet port
- 1x USB-C port for charging and tethering

Battery

- 5050 mAh Li-Ion rechargeable battery
- Up to 8 hours of continuous use²
- Battery preservation mode for 24/7 AC operation
- Operates on AC (battery optional)

Charging

- PD 3.0 charging
- USB-C cable included

Dimensions & weight

- 5.9" x 2.9" x 0.8" (150 mm x 74 mm x 20.4 mm)
- 9.2 oz (261.5 g)

Operating temperature

- 14°F to 122°F (-10°C to 50°C)

Storage temperature

- -22°F to 158°F (-30°C to 70°C)

¹ Data plan required. Coverage subject to network availability.

² Battery life depends on a number of factors including connected devices, amount of traffic, network strength, etc.

³ Pending

SIM

- 4FF Nano SIM

WLAN/Wi-Fi

- Wi-Fi 7 802.11 a/b/g/n/ac/ax/be
- Wi-Fi with 2x2 SU-MIMO (2.4GHz & 5GHz)
- Real, simultaneous dual-band Wi-Fi
- Multiple SSID/Guest Wi-Fi support
- Connect up to 50 Wi-Fi enabled devices

Standards/approvals/certifications³

- FCC/GCF/PTCRB
- UL 62368-1 (product safety)
- UL 2710 (sustainability)
- FIPS 140-3/TAA

Security features

- Administration portal
- Security-hardened web interface
- Password hash & session timeout
- Incorrect password lockout
- 3rd-party penetration testing
- Anti-CSRF protection

Wi-Fi features

- Wi-Fi on/off control
- Wi-Fi Security (WPA2/WPA3)
- Wi-Fi privacy separation
- AES encryption

Advanced networking

- MAC address filtering
- NAT firewall
- Port forwarding & filtering
- VPN pass-through
- OpenVPN support
- DMZ
- Manual DNS
- Static IP
- Inseego Connect™ remote management
